The inhabitants of Chintamani in the Kolar District having represented that owing to the levy of octroi duty on several articles which were wholly or partly exempt from this duty in other taluks of the District their trade had fallen and they were put to much loss and hardship, the Chintamani Municipal Board whose opinion was invited in the matter, has resolved that (1) the duty on tobacco may be fixed at one rupee, 8 annas and 6 annas per maund according to the quality of the tobacco in lieu of the present uniform rate of one rupee per maund, (2) the duty on jaggory may be abolished altogether and (3) ~~that~~ the duty on betel leaves may be reduced from 2 pies to 1 pie per 100. The President, while agreeing with the Board in so far as the duty on jaggory and betel leaves is concerned, has recommended that the duty on tobacco may be fixed at a uniform rate of annas 12 per maund

Both the Councillors are of opinion that the President's recommendations may be accepted This may be approved.

The reductions in the Municipal income by sanctioning this proposal will be about Rs.19-12-0 under tobacco, Rs.69 under jaggory and Rs 153-8-0 under betel leaves, or Rs.242-4-0 in all.

Sir.

I have the honor to submit herewith correspondence ending with Amalur Sub Divisional officer's report No 1726 dated 5-7-07, in regard to the revision of octroi duty on certain articles in the Chintamani Town and to state as follows:—

On the representations of the inhabitants of the Chintamani Town that

abolition of octroi duty
on articles in the
Town

that owing to the levy of duty on several articles in their Town which are either wholly or partially exempt from octroi in other Taluks of the District, their trade has greatly deteriorated and that they are thereby subjected to heavy loss and hardship, a report was called for from the Sub Divisional officer Malur, who recommends sanction to the proposals made by the Municipal Board in their meeting held on the 18th June 1907 a Copy herein enclosed, firstly to revise the duty on tobacco by fixing rates at 1 Rupee – 8 as – 6 as per maund respectively according to its quality instead of the present uniform rate of 1 Rupee on Superi-

Superior as well as inferior sort,
Secondly to abolish octroi on
Jaggory as is the case in the equally
Jaggory producing Talukes of Sri-
nivaspur, Sidlaghatta and Chicka-
ballapur and Thirdly to reduce the
rate of 2 pice per 100 betel leaves
to that of 1 pie, as the present
rate is excessive being the same
as in the large Towns of Bangalore
and Mysore, where a bundle of
100 leaves fetches 1 anna, while
the same sells at 6 pice per bundle
in the Chintamani Town.

3 As the municipality hopes that
the loss that may accrue by the
reduction of duty as above detailed
will be made good by the greater
imports of the said articles for sale

in the market by the revision of rates on them as proposed. I recommend that a uniform rate of 12 annas per maund of tobacco may be levied, as the present rate is high, considering the cost price thereof, that the duty on Jaggery be abolished and that the present rate of 2 pies per 100 bidet leaves be reduced to that of one pie and request that sanction may be accorded to the same for being tried tentatively for a period of Six, Two years

I have the honor to be,
Sir,
Your most obedient Servt.
